As one of the few investment banking firms that truly know the fastener manufacturing and distribution industries, we have a deep understanding of what drives value in the eyes of industry buyers. We have relevant experience representing family-owned distributors and manufacturers in the sector, and have direct experience working with many of the largest and most active acquirers in the industry. Everything we do is geared toward maximizing value for our clients through a controlled, confidential process, always “dealing in truth” and acting with utmost integrity.

XLCS Partners, Inc. is an independent investment banking firm that providing M&A advisory services to select clients globally.
